Thank you for being willing to volunteer your time for the girls that are attending camp this year! Camp would be completely impossible without your help and that is why I am so grateful to be working with all of you this year.

Please let me know if you have any questions! I will send out an email soon to all staff about meetings and other information about camp.

At the end of camp, I will give the staff a cash gift, the amount that is in that gift will be determined after all camp expenses are paid.
